

## Sweet Tooth? Try an Affogato

Place two scoops of ice cream in a mug or cup, then pour over one shot of espresso or half of a cup of coffee.

## Try the trendy coffee drink of 2020 Dalgona Coffee

In a bowl, combine 2tbsp granulated sugar, 2 tbsp instant coffee, and 2 tbsp of cold water. Whisk until mixture thickens and looks foamy. Fill up a cup halfway with your favorite dairy or non-dairy milk and add a dollop of the coffee foam.

## Coffee Purist?

Add a little spice to your morning with some coffee  
with cinnamon

Add cinnamon to your coffee and it'll increase the natural sweetness without any added sugar. Cinnamon also gives a bit more of an energy boost when combined with caffeinated coffee!
